*"How do I say goodbye to what we had?
The good times that made us laugh, outweighed the bad.
I thought we'd get to see forever, but forever's gone away,
It's so hard to say goodbye to yesterday.
And I'll take with me the memories, to be my sunshine
after the rain.
It's so hard to say goodbye to yesterday.
I don't know where this road is going to lead.
All I know is where we've been and what we've been through,
It's so hard to say goodbye to yesterday."*

Class of 1993

The Class of 1993 dedicates this year's Footprints to those people who have seen each and every one of us through good times and bad times, shared our laughing and crying, helped us achieve our milestones and supported us when we fell a little short of our goals.

OUR FRIENDS

*Through the years, many great minds have attempted to define the perfect friendship. In the pages of this yearbook are the living definitions of the perfect friendship. They come in many ways, shapes and forms and no two are the same, however, the feelings that we have shared with them in the past four years have shaped our lives, futures and dreams.
Thank you to all of our friends.*

College has a reputation of making students travel through a host of different emotions, from happiness and joy to frustration and disappointment. I am by no means an exception to this statement. Therefore, I would like to express my gratitude to everyone who encouraged and supported me through this great experience. Especially my Mom and Dad, for without their commitment, love and understanding towards me, I could never have completed this adventure. With all my heart, thank you!

History

The journey we took was a hard one, full of many seconds of joy and moments of happiness.

Some may have wondered if the journey was worth it and for some it may have only begun. For me, this journey was fun, yet full of many hills to climb. Like the others before, I now can almost touch the sun. So, for everyone who has helped me along the way, thanks.

Gracias a mi familia en especial a mi mamá por su amor, comprensión y apoyo.

The trip you can enjoy today because of the person you are may be a frustratingly unhappy one tomorrow because of the person you have become in the meantime. Go wherever you have always wanted to go. Go as soon as you can, for as far as you can, for as long as you can.

Kathleen Elizabeth Duffy, B.S.

Four years can come and go by so quickly that you forget to stop along the way and thank the people who have helped you become the person you are.

Mom, Dad, Mary, Kevin and Timmy — In case I never said it (which I probably didn't), I know I could never be who I am today if it were not for you. I thank you and I love you and I hope that some day, some way I can return what you have given to me ten times over.

Prof. McKaigney — In my freshman year, you told everyone in my Bus 100 class to find a mentor. You have been mine and I thank you for your support, encouragement and friendship.

*"A candle is but a little thing
It starts with a bit of string
Yet clipped and dipped with patient hand
It gathers wax upon the strand
Until, complete and snowy white,
It gives at last a lovely light.
Life seems to be like that bit of string
Each deed we do a simple thing
Yet, day by day, if on life's strand,
We work with patient heart and hand
It gathers joy, makes dark days bright,
And gives at last a lovely light."*

YOU CAN SUCCEED

If you go through life searching for a goal,
And you keep searching until its found,
If you open all the doors leading to success,
And you find happiness behind each one,
If you can raise a smile to everyone you see,
And you hold no grudge towards anyone at all,
If you live each day to its utmost,
And you see things as they are instead of as
they are not,
Then you have found life's truest meaning,
And where others have failed, you will succeed.

To all our friends who made our four years here at SJC the best of our lives, especially Marg, Truck, Casey, Eileen, Cat, White, Adrea, Red, Bean, Kevin, Derm, Kathleen, and Jimmy Egan:

Always remember and never forget: Sally O'Brien's and the Night Owl and dinner with Pat at Denny's, the Alibi on Fridays way back when people went, Bean's "Crazy" and Elaine and Sheri's "What's the Matter Here", Greenfield's, a sober Honors class, all of Derm's impersonations, Fall Frolics at Adrea's, Truck's hurl in that brand-new car, Duff's marriage — NOT!, actually getting mugged on Christmas night and Greenfield's, Laurie Cicale's New Year's Eve parties, stolen bunnies on the ski trip, the Ski bar, the U2 concert, the Go-Go's, Greenfield's, the Bridge Cafe, going over the bridge, all those trips to Glen Roe for Derm, all those trips to Queens, my psychoing, Duff's cars and their parts, her breaks, sprains and twists, Elaine's accidents, Greenfield's (are these related?), Intramuralman, Beefsteak Charlies, a trip to Boston, camping at the Poconos, Dorney Park, Beef and Ale with Frankie Fresh, Driving Miss Lazy, a night at Vic's, Tuesday drinks, showerless Saturday morning's movies, the headless horseman, worms, TANK, Old English in Murph's, many trips to Sag Harbor, surfing on a van, Greenfield's, guidos in Lenny and John's armed with riceballs . . .

We know there will be more memories to make in the future and more in the past that we don't remember . . . Greenfield's.

A SPECIAL NOTE TO JIMMY EGAN:

Carry on the tradition — see ya Friday in Greenfield's.

To Sherrie — Without all your help and suggestions this book would be more of a mess than it is right now! Just think — no more last minute deadlines and lost pictures. Thanks! We hope you enjoyed it!

To Adrea and Jessie — Thanks for being so unlike us — organized and on top of things. At least your part of the yearbook went in on time!

From ending phrase of Desiderata (Founded in Old St. Paul's church, Baltimore, Dated 1692)

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labor and aspirations, in the noisy confusion of life to keep peace with your soul! With all its shame, drudgery and broken dreams, it is still a beautiful world.

Be careful. Strive to be happy.

GREAT JOB!!!

Mom, Dad, Mary, Kevin, and Timothy

Wow, four years in this "joint" sure flew by!!! It seems like yesterday I walked in this door and now I'm walking out. But the memories I have gained will last a lifetime. My time here at St. Joe's will truly be remembered.

Red — Hang man! Jim, do you remember St. Joe's? Elaine, do you want to hang in Bay Ridge? I love my BEAN! Kevin, remember CPI and SMB. Whitey, I still have your postcard from Rome. Adge, another "gala" in the fall?!

Lisa, you know if I hadn't met you at Pre-Registration, I never would have had a lift to school in your car! Hey Hippy Chick keep in touch! Jessie, why are you an English major?! Kathyism! How art thou Hurrick? Evers, you owe me \$25 for not jumping in the whirlwind! Janets, what are you two nice girls doing on the subway? Tricia, my clock didn't go off this morning? — we'll take DeKalb or 9th? Heather Joy — nobody is like you! Thanks!

Finally, my memories could not be complete without mention of you, Kathleen! Your character is indescribable but I am so glad that I have shared many laughs and wonderful times with you. You are very special Kath.

Good Luck everyone!!!

Love,
Dermot

I would first like to thank my family for their constant care and encouragement over the years. I would also like to thank the faculty of Saint Joseph's College. Their concern and support over the last four years is greatly appreciated.
